

GoalChaser.co

— AI VoIP Task Planner —

Keep Your Team Productive

Performance drops when blockers remain unaddressed - GoalChaser calls and solves the blocker immediately.

To Do	In Progress	Overdue

GoalChaser.co

— AI VoIP Task Planner —

Productivity tools keep waiting

Passive tools don't warn you. Deadlines slip silently — nobody calls

GoalChaser.co

— AI VoIP Task Planner —

Meet your AI Project Manager that actually calls

No logins. No dashboards. Just a quick morning VoIP call that organizes your entire day

Good morning! Ready to plan your day?

GoalChaser.co

— AI VoIP Task Planner —

4 steps.

Zero dashboards.

From morning call to end-of-day report, all fully automated

GoalChaser.co

— AI VoIP Task Planner —

It calls you Until you are **done**

AI keeps you in the productivity loop with smart follow-ups until every task is closed

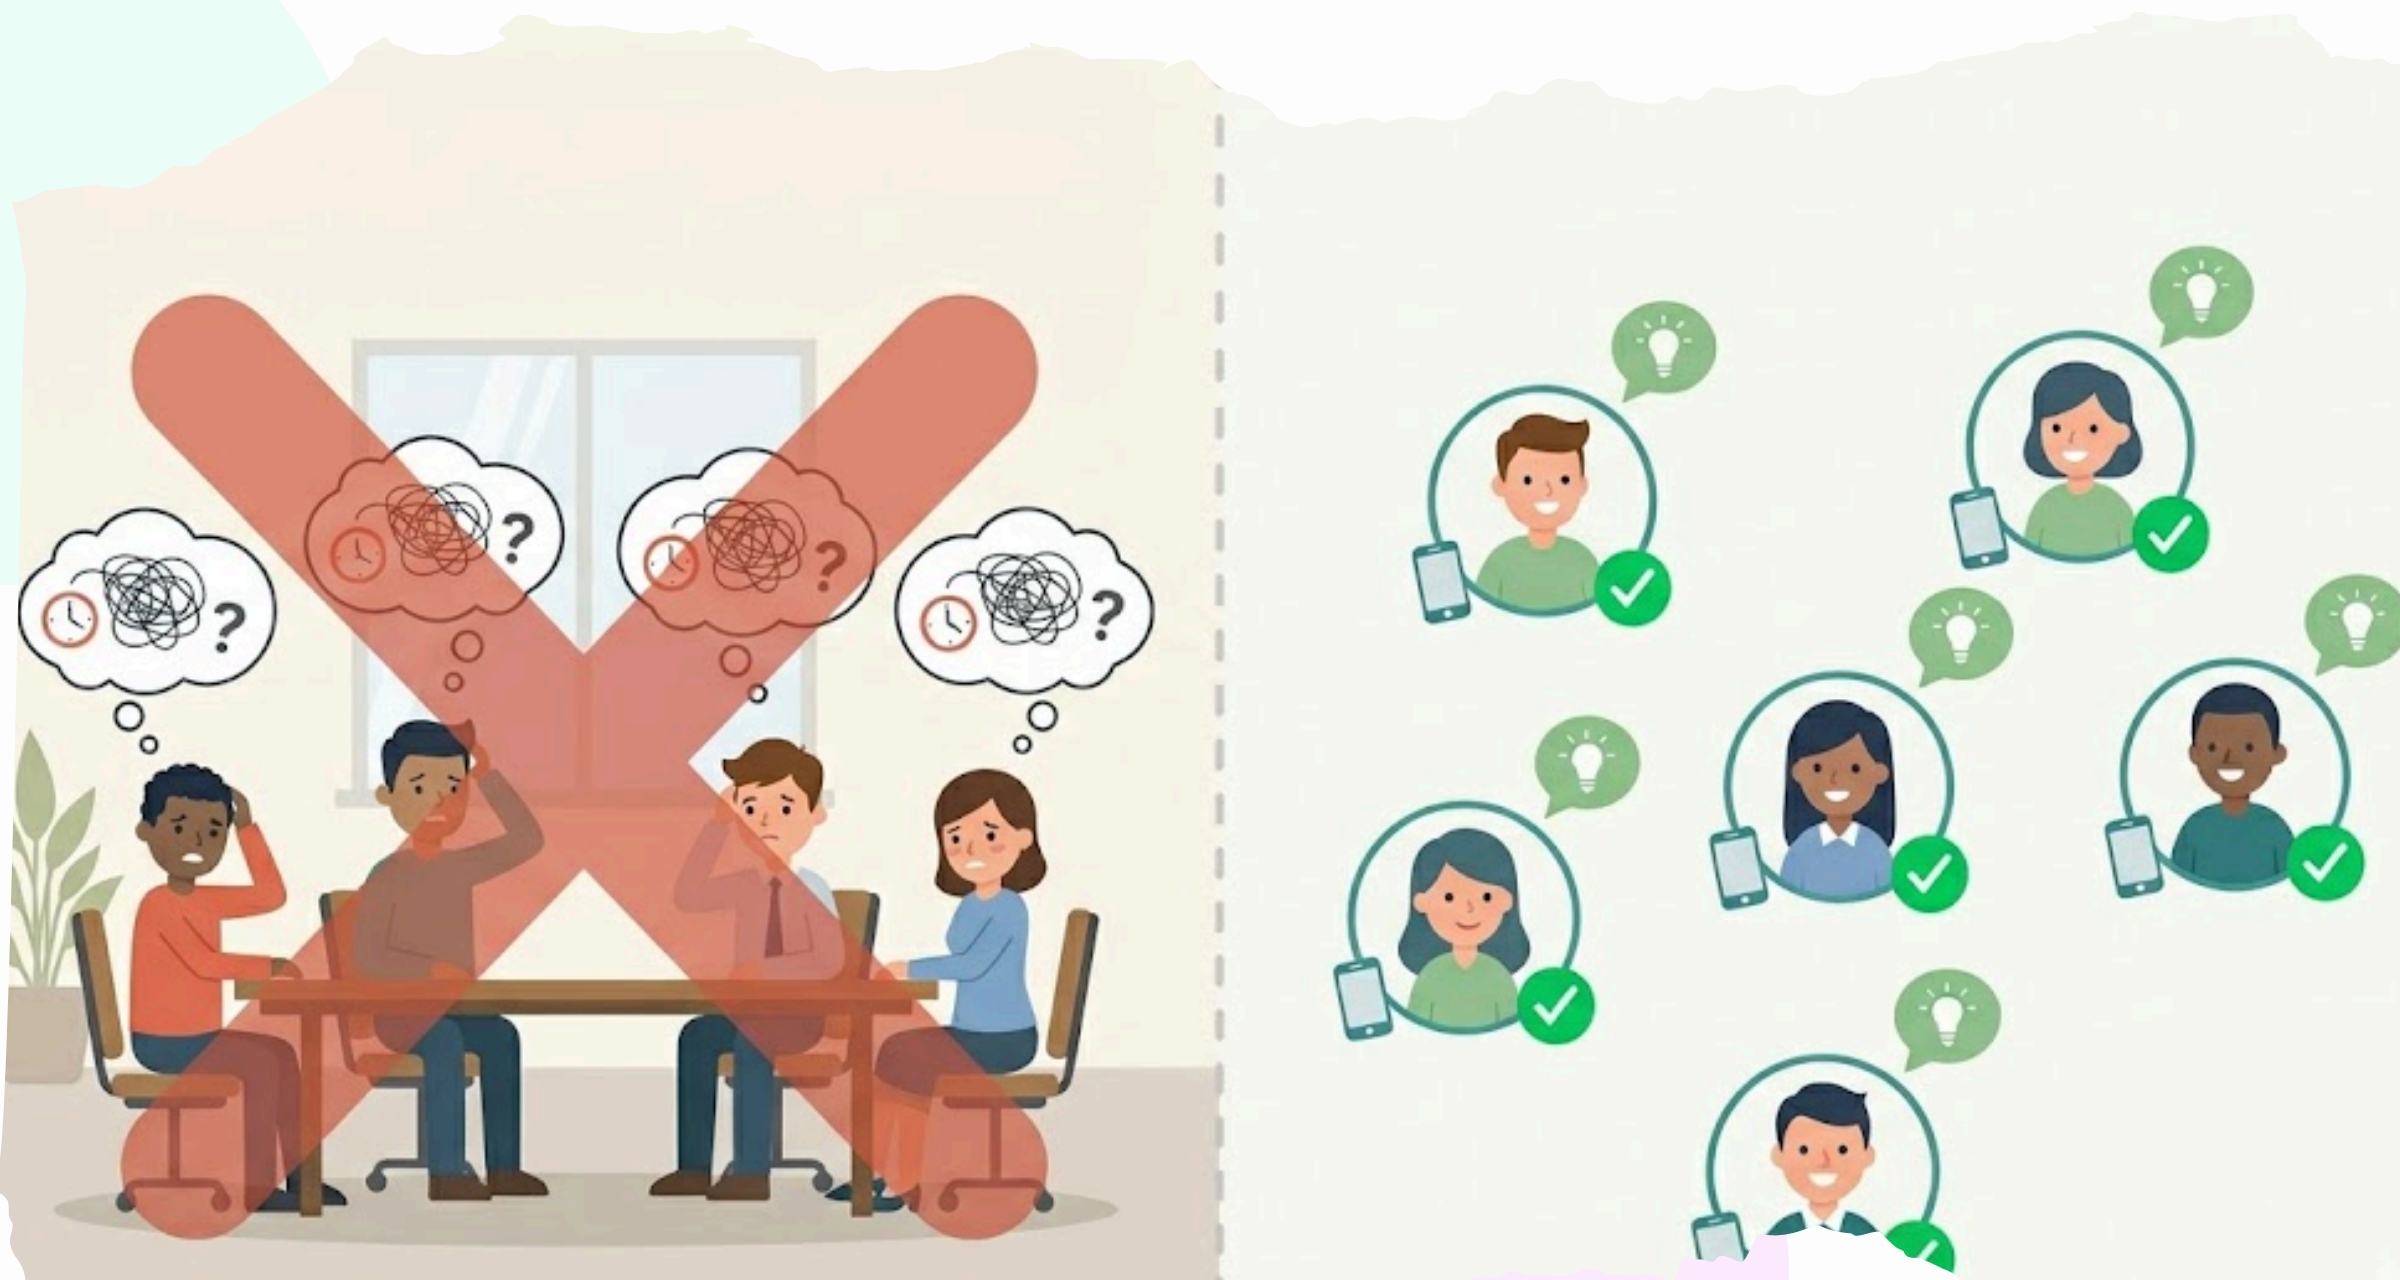

GoalChaser.co

— AI VoIP Task Planner —

No more morning meetings

AI calls each team member individually. Updates sync automatically. No one pulls everyone off work

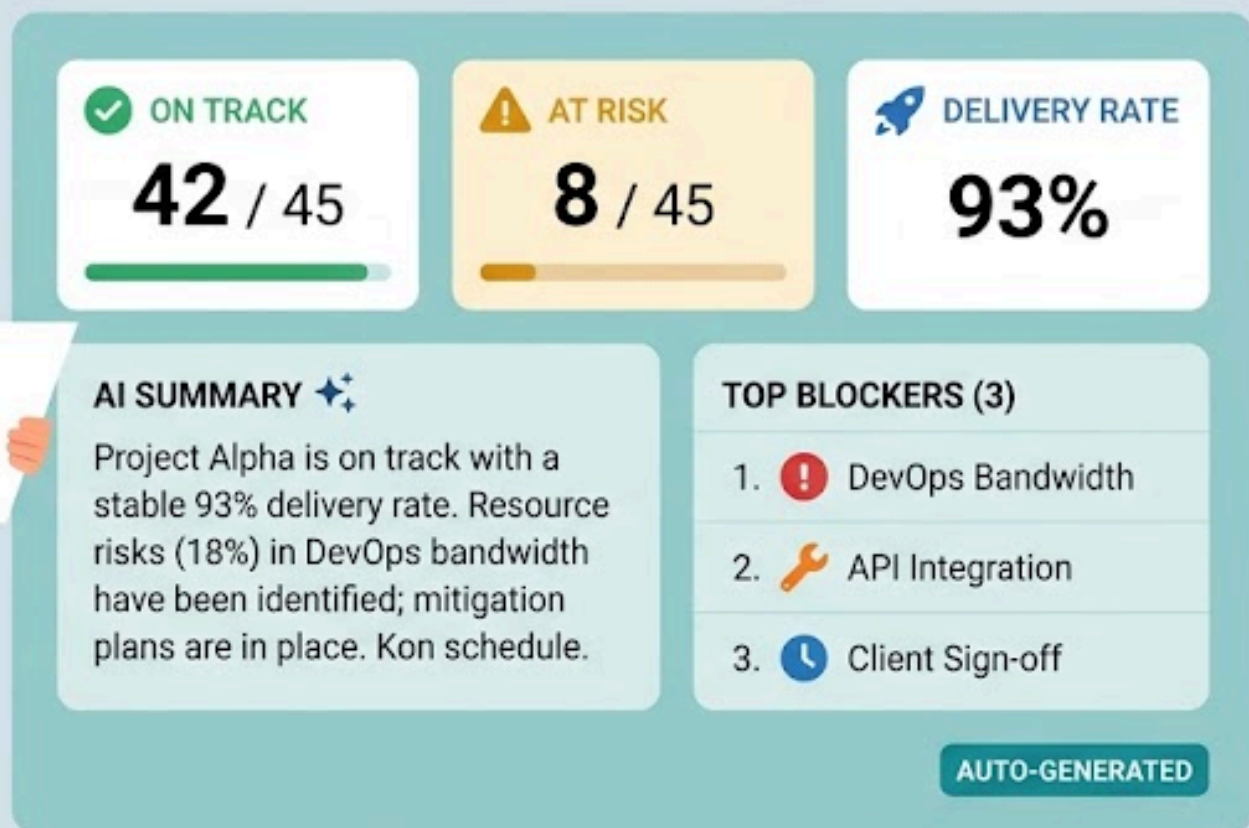

GoalChaser.co

— AI VoIP Task Planner —

Leadership gets **clarity** automatically

Managers and CEO's get a one click progress report for any employee

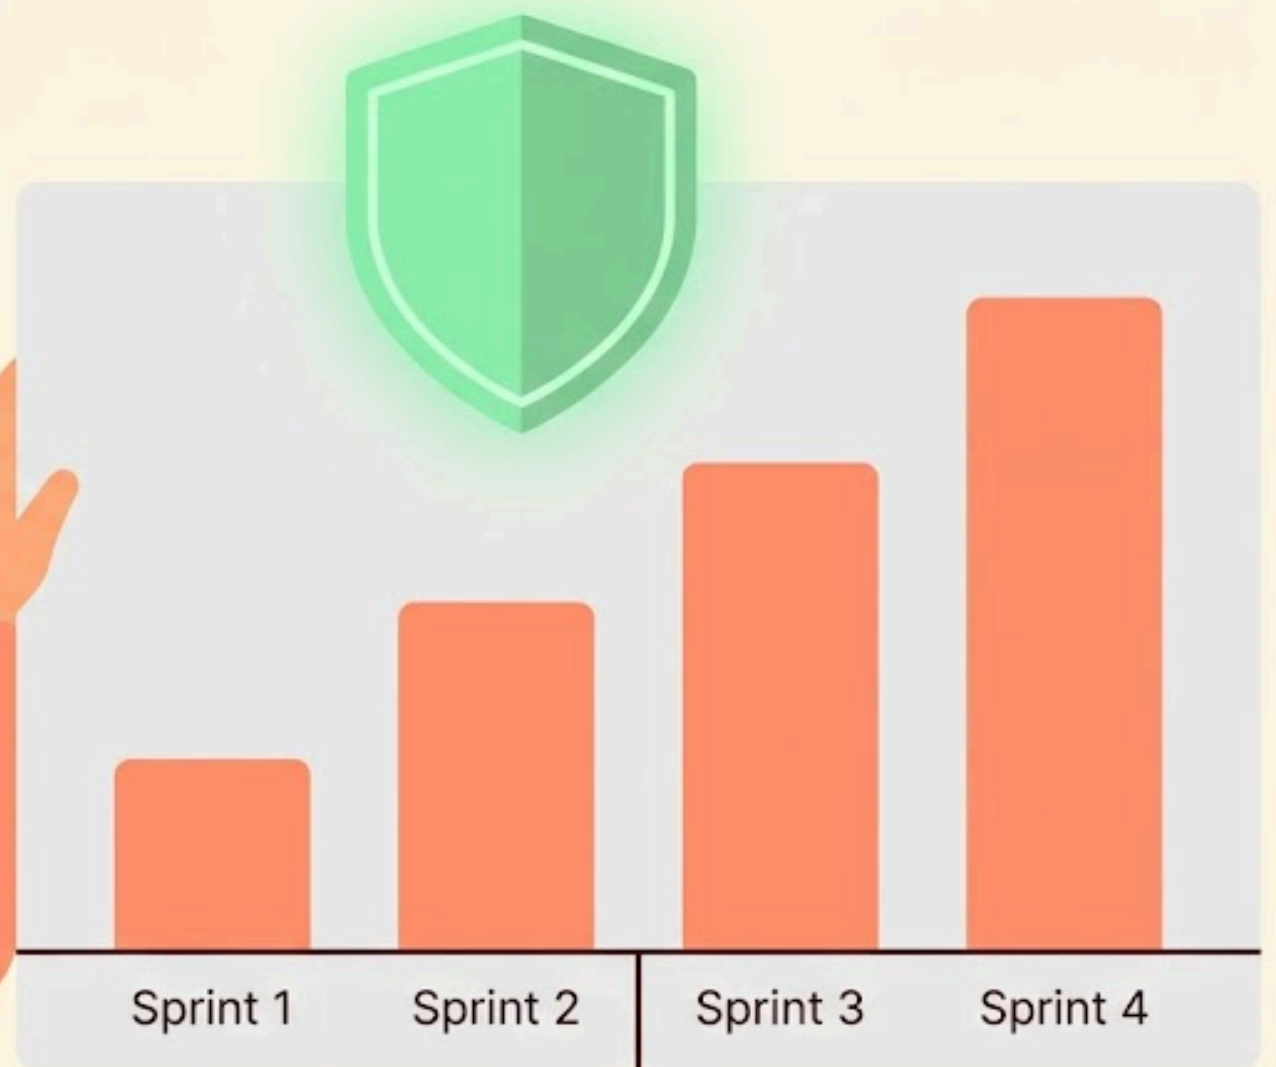

GoalChaser.co

— AI VoIP Task Planner —

Automatic **Flagging** and Escalation

It automatically resolves blocker, and escalate issues and performance gaps to higher management silently

Your Baseline

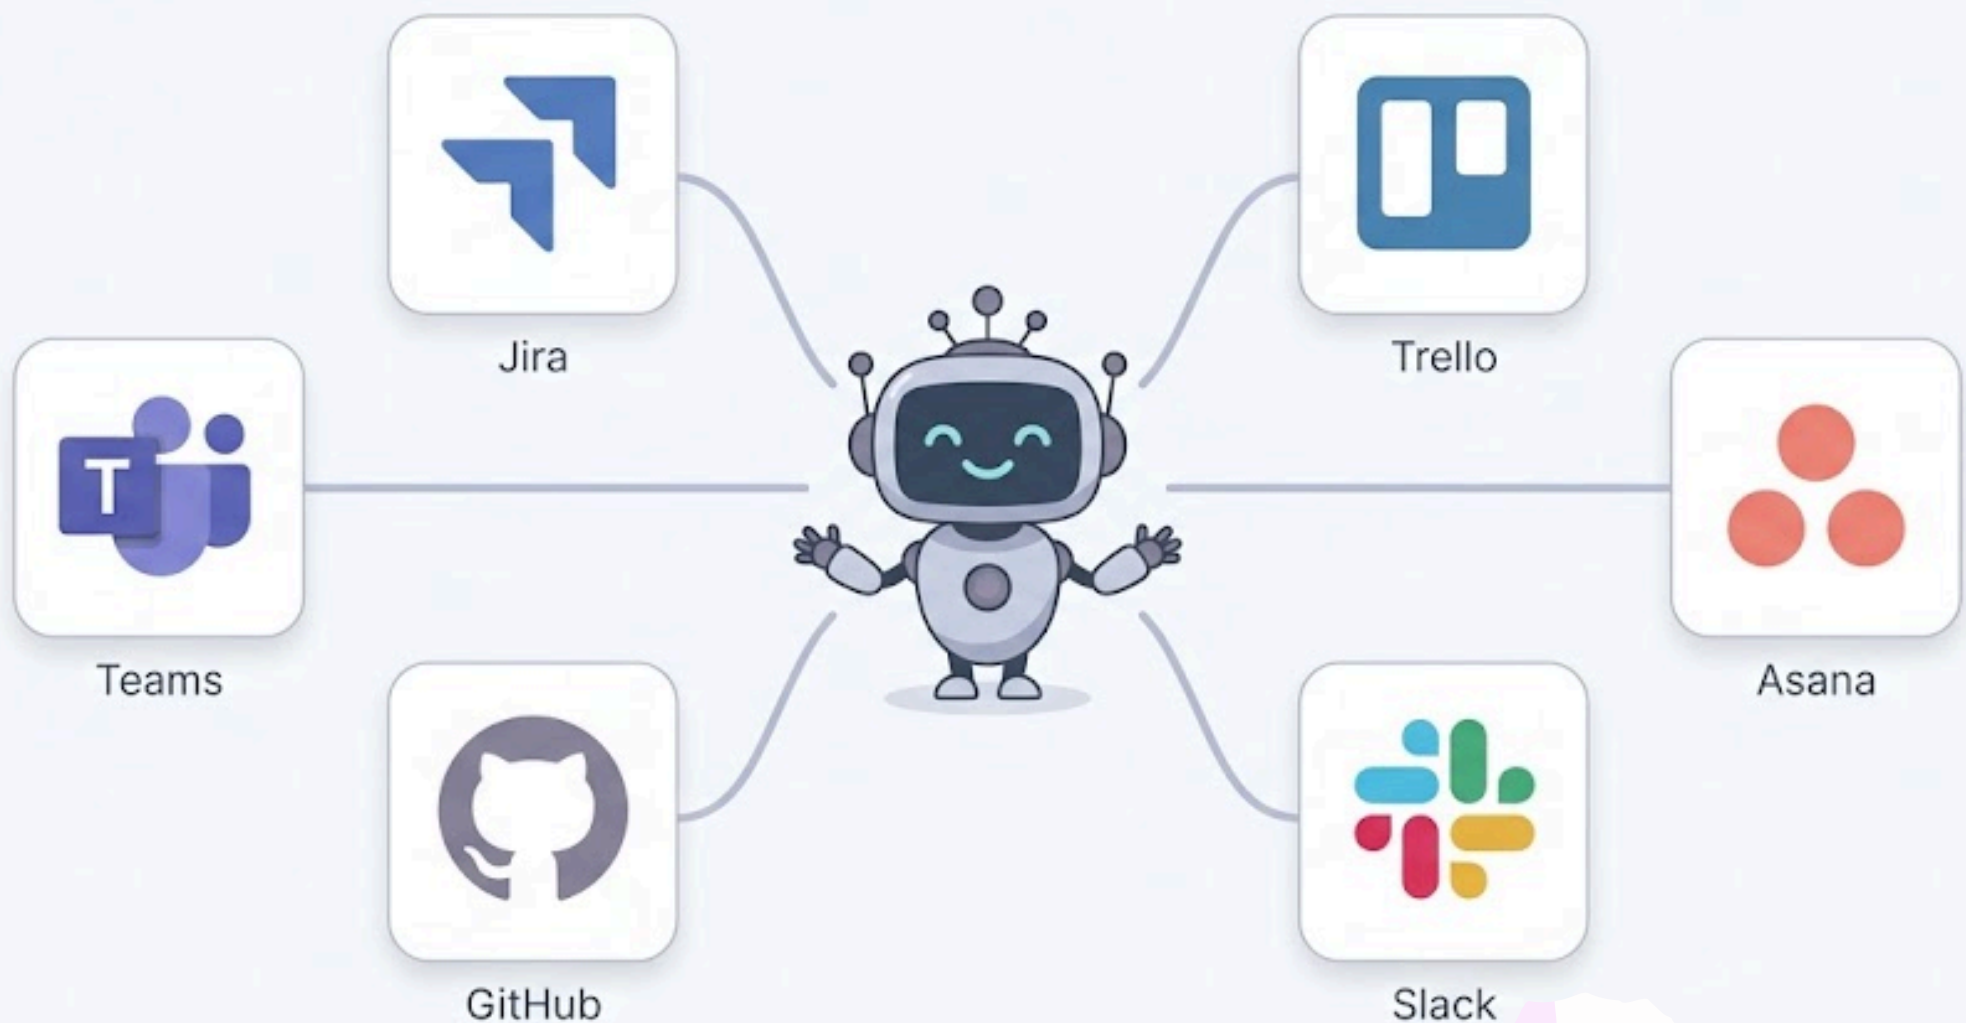

GoalChaser.co

— AI VoIP Task Planner —

Works with **tools** you already use

Import from Jira, Trello, Asana. Syncs with Slack, GitHub, and Teams - and many more on the way

GoalChaser.co

— AI VoIP Task Planner —

Stop managing tasks. Start **finishing** them.
